

WHO WILL BE OUR NEXT GOVERNOR??

A Democrat?? Of course!! 😊

But which Democrat?? We have some good choices.....

In alphabetical order, we have

JIM AMANN – Former House Majority Leader during 2003-2004

SUSAN BYSIEWICZ - Current Secretary of the State

GARY LeBEAU – Current State Senator from the 3rd Senate District

DAN MALLOY – Current Mayor of Stamford

Any one of them would be a better choice than the current Governor but who is the BEST???

On **September 21** we will have an opportunity to compare and contrast all four candidates as they meet in Colchester at a forum. Come and join our special guest, **Nancy DiNardo**, Chairman of Democratic State Central Committee, and listen to the potential candidates as they discuss their positions and tell us why each thinks he or she would be the person best able to defeat a Republican gubernatorial candidate.

Written questions from the floor will be included as well as a meet-and-greet with refreshments.

Come and check it out. Bring your fellow voters.
